

“Majestic Wine...”

...Your dedicated drinks provider”

At **Majestic Commercial** we work with independent hospitality businesses nationwide, helping them **generate more profit** from their wine lists.

We supply more than **4,000 restaurants and gastropubs** nationwide via our unique local delivery network.

We can both boost your revenue and help diners find wines they'll love by working in partnership with your team – it is a win-win situation. Here is how we can do this:

- We have an award winning range of Commercial Exclusive wines, which you won't find in any stores.
- As part of Majestic, our buying power is huge. So you can be assured of the best quality wines at the right prices.
- We'll train your team to recommend and upsell, generating up to 40% extra profit for your business while they're at it.
- Our service is second to none, and with next-day deliveries from your local store, you'll never run out of wine again.
- With millions of UK consumers, we know exactly what wine drinkers in your area are looking for.
- Even better, we can help you fill empty tables, sending diners your way with our “Majestic Dining Club” promotions.

“I have been rewarded with excellent service, and the team often going above and beyond what I'd asked. I always recommend Majestic and cannot speak more highly of Majestic Commercial”
